

## Catalan Theme

Catalan Siesta  
How beautiful the sun  
Turning red as blood  
Before the games have begun

How beautiful they cheer  
Screams from everywhere  
Yet someone, is all alone

**No, they say no  
You won't make it this time  
No time to say goodbye  
You're on your own this time  
No time to say goodbye  
It's a Catalan lullaby**

Catalan Fiesta  
How divine the sight  
Celebrating death  
In unfair fights

What will their mothers say  
See their children laugh away  
Sunday slaughter as fun

**No, they say no  
You won't make it this time  
No time to say goodbye  
You're on your own this time  
No time to say goodbye  
It's a Spanish lullaby**

**No, they say no  
You won't make it this time  
No time to say goodbye  
There's others waiting in line  
No time to say goodbye  
It's a Catalan lullaby**
